

Kents Hill

Junior School

Encouraging achievement, independence and maturity within a culture of respect.

Kents Hill Junior School welcomes all children from ages 7 to 11 years. We pride ourselves on being a caring school, with traditional values and a hard working ethos.

Bright, exciting and well-resourced classrooms, suitable for teaching and learning in the 21st century, enable our teachers and support staff to encourage all of our pupils to achieve their very best.

Our academic standards are high and improve every year, with many pupils going on to further success at secondary or grammar school. We welcome visits by any parent or carer who wishes to see for themselves the first class education we provide for our community.

“The teachers’ contributions to the development of our daughter’s confidence is exceptional; providing support beyond the academic.”

Mother of a Year 6 pupil

Thriving in a calm and safe environment, whilst building positive relationships.

A clear, consistent and structured behaviour management system ensures that the behaviour of our pupils is of a very high standard.

Our pastoral system is extremely focussed; successfully helping pupils through personal trauma, crisis or difficult times. This support extends to helping families and other carers with a comprehensive range of services available.

There are opportunities for many of our pupils to take on a role of responsibility within our school. Our Play Leaders, School Councillors, Prefects, Head Boy, Head Girl, Deputy Head Boy and Deputy Head Girl are all strong role models for the younger children.

“We are always impressed with how polite and well behaved Kents Hill Junior School pupils are.”

Local swimming coach

Being given the tools to become life-long learners.

We achieve superb academic results with nearly all of our Year 6 pupils leaving at, or above, the expected attainment levels.

Creativity is encouraged through our unique, bespoke 'short courses' (art, viola, computer science, healthy living, Spanish and RE) and through high quality productions and workshops.

Pupils of all abilities participate and succeed in a range of sports that are taught through the enriched curriculum and extra-curricular provision (karate, dodgeball, fencing, tennis and badminton).

“The homework system is very good. My son, who is in Year 11, wishes he could have had it when he was at Kents Hill Junior School.”
