I loved what I
experienced at Fairplay
House. We went on the
big swing, caving,
canoeing and high
ropes. I will remember
Fairplay House forever!

Alan

It was the most fun I have had on
a school trip and I face my fear
of heights on the big swing-I was
so proud of what I achieved

Fairplay House pushes you to your limits. If you are scared of something Fairplay encourages you to at least do it once. They want you to overcome your fear and become more confident. This was true to how it changed me.
