

23d September 2026

Dear parent/carer,

We are pleased to share an overview of the parent engagement events and opportunities we have planned throughout the academic year. We know that strong partnerships between home and school play an important role in every child's success and we are committed to providing a range of opportunities for parents and carers to be involved in school life, celebrate children's achievements and gain a greater understanding of their learning journey.

The calendar below provides an outline of our planned events for the year ahead to help families plan in advance should you wish.

Further details, including times and booking arrangements where applicable, will be shared nearer to each event. Whilst every effort will be made to deliver the programme as outlined, occasionally events may need to be amended or adapted in response to operational or curriculum needs.

Please note that alongside the below there will also be 2x PTA events per term.

We look forward to welcoming you into school throughout the year and working together to support your child's learning and development.
