

## Year 5 Blog - Week commencing 24<sup>th</sup> June 2024

A great week in Year 5!

Pupils have enjoyed learning about different careers in our 'My Futures' zoom session, where there was a focus on careers that involve working with animals.

In maths, pupils have been learning about negative numbers and in writing lessons we have been looking at Dinka poems. Pupils enjoyed spotting the different features of a Dinka poem and writing down their ideas for their own poem. In our science lessons, we looked at different types of graphs and considered which graphs would suit our data best.

Class 5BL enjoyed learning about road safety and enjoyed going on a local walk to spot different hazards on the road.

Finally, pupils thoroughly enjoyed meeting their new teachers and looking ahead to next year in Year 6.

Well done on a fantastic week!
