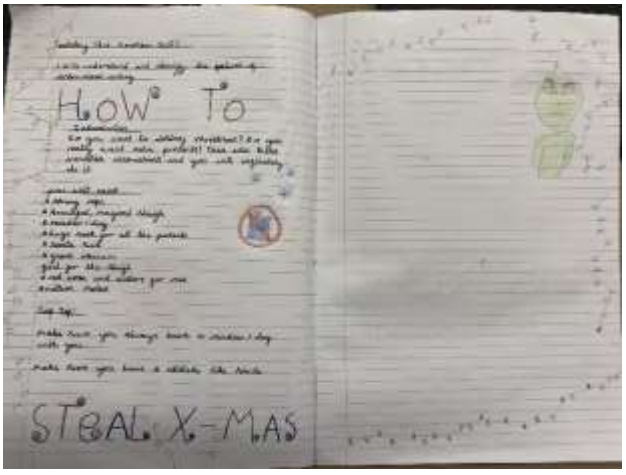
Year 5 Blog - Week commencing 11.12.2023

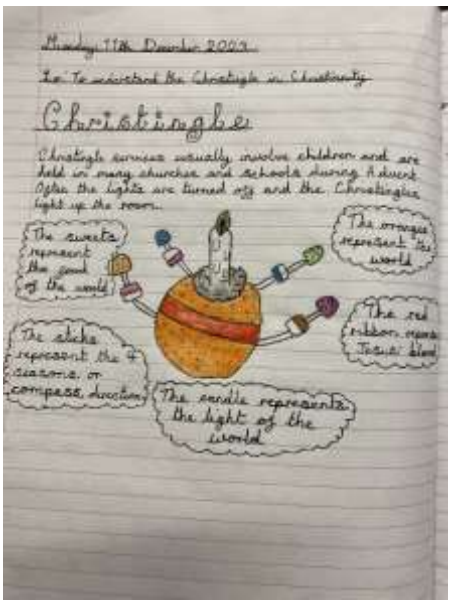
Cracking Christmas week!

Year 5 have got stuck into all things Christmas this week. We started our double page spreads on 'How to Steal Christmas' in English, using imperative and modal verbs, alongside lots of description. They're beginning to shape up nicely, ready to read to others during assembly!

We've also learned about Christingles in RE and did some beautiful work inside our learning journals for this.

Year 5 have begun their DT project; creating a guillotine, as part of our Crime and Punishment topic. We used saws and saw blocks to cut up slices of wood, ready to be glued together on Monday. In maths, we have been continuing our learning of adding and subtracting fractions with different denominators.

They have all put in an excellent amount of effort into their maths lessons.




Another notable moment of this week was Year 5 taking part in their 'elf run' in PE, raising money for Havens Hospice Children's Charity. They all put in their best efforts and had lots of fun! What a brilliant week we've had leading up to Christmas!
