

## Year 5 Blog - Week commencing 04.12.2023

This week Year 5 have enjoyed the beginnings of our Christmas festivities!

The pupils enjoyed a delicious Christmas dinner on Wednesday and thoroughly enjoyed showing off their Christmas jumpers on Thursday.

On Monday, the pupils were very lucky to experience our first trip of Year 5, with our visit to the synagogue. Pupils enjoyed gaining a deeper understanding of the religion.

In our writing lessons this week the pupils finished their diary entries, that were inspired by Theseus and the Minotaur. The pupils included some fantastic description in these diary entries including expanded noun phrases, fronted adverbials and speech.

In geography, pupils learnt about capital punishment. They were able to locate the country the country closest to the United Kingdom that still uses capital punishment.

Finally, The pupils have enjoyed planning the designs for their guillotines in DT and are looking forward to creating their final designs next week!
