

## Year 3 Blog - Week commencing 09.10.2023

'Please Miss Parkes'

This week, Year 3 have been focusing on planning for their local area walk next week. The children have used Google Earth to walk the route and look at the human and physical features that we will see along the way. They have also plotted the route on a map.

In writing, they have been focusing on writing to persuade. They have been learning about different features to persuade and have written a persuasive speech to encourage people to look after the local environment using imperative verbs. Then used rhetorical questions to write a letter to Miss Parkes to encourage her to let them change something in school for example, having chocolate at break time, being able to wear non-school uniform every day or for Year 3 to go on a school trip to Adventure Island. The children really enjoyed persuading Miss Parkes through using a range of features to do what they wanted.

The children enjoyed visiting the travelling book fair this week and enjoyed seeing some of the parents joining them for this. Thanks to those who came in.
