

Year 5 Blog – Week Commencing 05.09.2023: Determined Detectives

This week Year 3 have been settling into the Junior school. The children have enjoyed a range of activities to introduce them to our new topic Explorers. We took part in a Now Press Play story where they adventured into the Amazon rainforest and fought to save the trees from being cut down.

The children also enjoyed creating some collage rainforest animals using a range of different coloured pieces of paper. Below are some examples.

In science, we have started our new topic of 'Plants'. The children enjoyed going on a plant walk around the school to identify the different plants around our eco garden and on the field.

The teachers in Year 3 would like to say a huge well done to the children for a fantastic start to their time in the Junior school. Have a lovely weekend in the sunshine!
