

## Week Commencing 12.12.2022: Crafty Christmas Decorations!

This week pupils enjoyed taking part in many Christmas activities, thank you to all parents who joined us on Wednesday for the Christmas crafts and for those who couldn't I am sure you will and have enjoyed the decorations that were brought home.

Pupils also made Christmas cookies, they weighed and mixed a cookie batter and formed perfectly sized cookies. They then decorated them to create a Christmas snow scene.

On Thursday afternoon all pupils celebrated a Christingle service, and they had an opportunity to make their very own Christingle orange.

Alongside these activities, pupils completed reading, writing and math's activities.

In writing they created their own version of Mulan where the famous warrior had to defeat King Yanam, I know the pupils really enjoyed creating their own plot twist.

In Maths pupils have finished their review of fractions and they have made excellent progress in this.

I would like to take this opportunity to wish all pupils and their families a very Merry Christmas.
