

## Year 4 Blog - Week commencing 4<sup>th</sup> March 2024

### World Book Day Fun!

On Thursday the children loved dressing up as their favourite book characters, the teachers were so impressed by their different outfits. During World Book day the children were visited by different teachers and read to. It was a great day!

In writing this week the children have begun their writing to entertain unit and will be writing a narrative story to go alongside a picture book called 'Flotsam'. They have been concentrating on different literary devices such as onomatopoeia, descriptive verbs and adverbs. With these new-found skills the children wrote amazing paragraphs describing how different fish and predators move around the ocean.

In History this week, the children learnt about the devastating consequences of the 2010 BP oil spill in the Gulf of Mexico. The children learnt about how many animals were affected and habits lost. They then plotted these events onto a time line.

On Tuesday, Year 4 had the opportunity to hear from people in different careers and ask them questions, during our My Future workshop. This week's session was about people in STEM careers.
