

Year 4 Blog - Week commencing 11.12.2023

All aboard the Polar Express

This week we have started our final piece of writing this term! This is a Christmas themed descriptive story based on the Christmas film The Polar Express. We have been writing about the moment the train magically appears outside the bedroom window, the journey onboard and then arriving at the magical North Pole. Next week we will be top copying out writing and bringing it home for our adults to see - we are very excited!

We have made some Christingles this week as we all took part in a Christingle service on Tuesday. We learnt about what each part of the Christingle represents whilst we made our own ones. This linked well into our RE lessons where we have now finished our learning on why Christmas is so important to Christians.

On Tuesday we took part in our Haven House Elf Run! Due to the weather we had to make use of the hall but we had lots of fun wearing our elf hats and listening to Christmas music whilst we took part!
