

Year 4 Blog – Week Commencing 17.07.2023: Final Week of Fun!

This week in year 4 has been filled with lots of finishing off! We started by completing out French double page spread which showcase our learning this half term. We've been learning the story of Goldilocks and the 3 bears in French! In our double pages we noted down the key vocab and phrases that get repeated in the story. We then added colourful pictures and a title to make it more eye catching.

In computing this week we got to explore Scratch again! This time we looked at controlled loops. We re-arranged the algorithms to make sure the code could run correctly and then we got to edit and modify the code slightly.

Today has been filled with fun activities to celebrate coming to the end of year 4!

We wanted to finish the blog this week with a little message from Miss Roberts, Miss Cartwright and Mrs James (despite her being off enjoying her maternity leave currently)!

We would like to say a huge well done for all your fantastic hard work this year! You've been amazing and have impressed us week on week! We feel so proud to have seen how much you have all grown!

We hope you all have a lovely, restful summer - you have all earnt it!
