

Year 4 Blog – Week Commencing 10.07.2023: Creating Rangoli!

This week we have had an art week! We have finished our final art unit of Year 4 now! We started the week by designing our own Rangoli patterns. We sketched out 4 designs and thought about what shapes and repeated patterns we liked best. We then picked our favourite design to use for our final sketch. We sketch out swing out onto A4 and then adding glue and salt! This gave our designs the grainy texture that tradition Rangoli has.

To finish, we added colour by painting the designs with water colour paints. We thought carefully about what colours to use, making sure our end product was bright and bold!

This week we have spent lots of time rehearsing our performance for the International picnic! We're so excited for you to see what we have been working on!
