

Year 4 Blog – Week Commencing 26.06.2023: Delicious Dish - Chicken Tikka Masala!

We have had an exciting week in Year 4 this week!

We have officially finished our writing to persuade advertising campaign about our Chicken Tikka Masala! We each wrote our own advertising campaign to sell our delicious dish. We used alliteration, rhetorical questions, high-level descriptive vocabulary and quotations from famous celebrity chefs like Gordon Ramsay and Gino D’Acampo. As part of DT, we were even able to use our cooking skills to make this dish! We used the bridge and claw technique as well as stirring and marinating.

In RE, we used our prior knowledge of Christian Parables to create our own, modern day versions. As part of our success criteria, we retold the parables in collaborative groups. We were able to use flipchart paper, pens and previous storyboards to support us.
