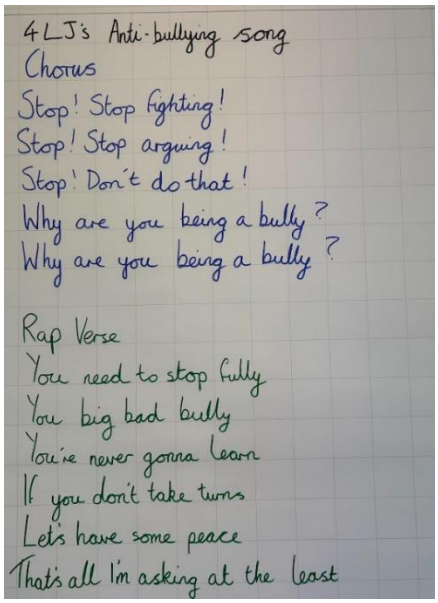
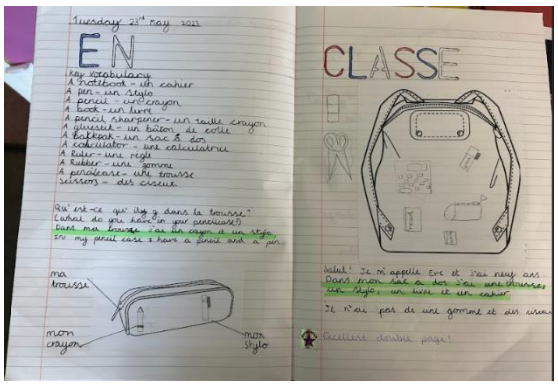
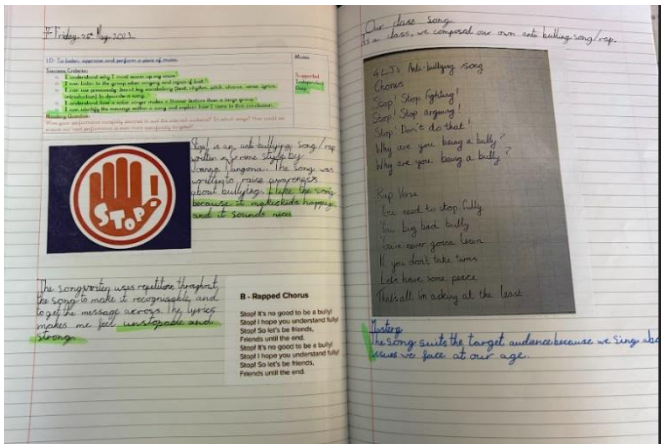
Year 4 Blog – Week Commencing 22.05.2023: Stop!

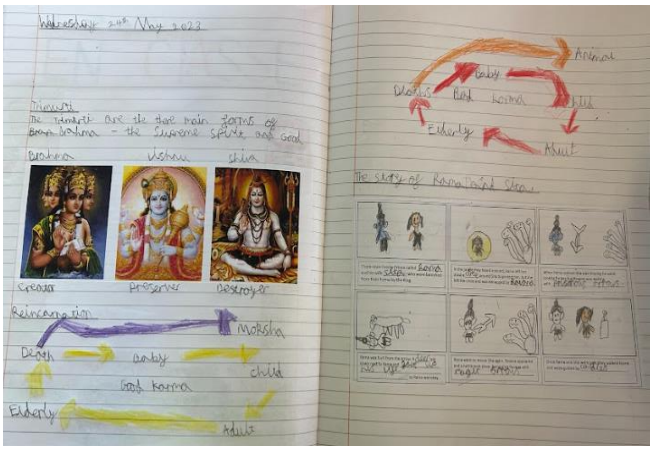
This week in Year 4, we have been wrapping up our learning by completing our double page spreads for our discussion-based subjects.

In RE, our double page spread was based around our learning of Hinduism and the fascinating story of Rama and Sita. In Music, we recapped the song that we have been studying, Stop! We also ensured our class song that we created was in our book. In French, we portrayed our learning of the classroom by using images, diagrams and French sentences!

In Art, we started our final piece which is to create a landscape of the Taj Mahal using watercolour. We used watercolour techniques such as wet on wet and wet on dry to blend our colours and create a background. After half term, we will use our knowledge of sketching and proportion to draw a scaled picture of the Taj Mahal.








The Year 4 team would love to wish all of our pupils a fantastic, sunny half term. Thank you for all of your hard work – we will welcome you back with more exciting curriculum on 5th June.
