

Year 4 Blog – Week Commencing 09.05.2023: Watercolour Wonders – The Taj Mahal

This week in Year 4, we have been learning further about Hinduism and practicing sketching the Taj Mahal, ready for our final watercolour piece.

In RE, we learned all about the story of Rama and Sita, which was about a husband and wife who were banished from their home by the king. Rama and Sita face many battles but remain faithful to each other and support each other in defeating battles. They were guided home by candle sights. We created our own storyboards and coloured them in to represent this story.

In Art, we have been learning how to draw from observation and experiment with different sketching pencils. We watched a video to help build our skills and confidence and we're excited to apply these new skills to our final piece!
