

Week Commencing 12.12.2022: Christmas Spirit in Year 4!

This week in year 4 we have been getting into the Christmas spirit!

We started a new piece of writing this week based on the Polar Express! We thought about how we would feel if she saw a mysterious, magical train appear outside our windows and we did some drama to imagine that it happened to us! We used this inspiration to then write a Christmassy story inspired by the film. We worked hard to include lots of expanded noun phrases, similes, adverbs and fronted adverbials. We are looking forward to top copying our writing to take home next week!

We were lucky enough to have some of our parents and careers come in this week to help us with a Christmas craft! We made adorable sock snowmen, which all looked absolutely fantastic! We really enjoyed getting to spend this time being creative all together!

We also got to do some Christmassy baking this week! We worked together with year 5 classes to make some shortbread biscuits. We had to use good team work skills and measuring skills to ensure we had the right amount of ingredients. We are decorating them to bring home next week too - so no spoilers on what they look like yet!

We also had a snowman making competition when we had all the snow on Monday - we had so much fun!
