

Year 6 blog – week commencing 8th July 2024

The last sports day at KHJS!

Another busy week in Year 6!

The children have been rehearsing the production 'Matilda' throughout this week, making sure it is ready for the performances to families next week! The children have worked incredibly hard, developing their acting and singing talents. It really is a fantastic show and the Year 6 team can't wait for you all to see it!

Another highlight for the week was the children's final sports day at Kents Hill. The children thoroughly enjoyed the activities, we were particularly proud of how supportive and encouraging the children were of each other. Equally, the children showed their team work skills on sports day, as well as their competitive sides showing to ensure they gained enough points for their houses. Well done Year 6!
