

Year 6 blog – week commencing 1st July 2024

Dress Rehearsal and a beach day!

What a busy but exciting week we have had in Year 6!

We started off our week with a trip to the beach, the children paddled in the sea, buried their friends in sand, searched for crabs and had a rainy walk back to school. It was thoroughly enjoyed by all, including staff who enjoyed seeing the children relaxed and having fun!

The children continued their rehearsals for the production on Tuesday and Wednesday, ready for the dress rehearsal to the infant's school and Years 3,4 and 5. All of the teachers commented on what a fantastic production it was, their hard work has paid off and they were absolutely incredible. The Year 6 team are incredibly proud of them and we cannot wait for you all to see it.

Have a great weekend!
