

## Year 6 Blog – week commencing 26<sup>th</sup> February 2024

### Kensuke Narrative, hockey and The Shang Dynasty

The children have come back for Spring 2 ready to learn!

We have started the week learning about semi-colons and past and progressive tense. The children have then utilised this learning to include in their narratives. They have written fantastic narratives based on the book Kensuke's Kingdom. We have thoroughly enjoyed reading them, they have kept the year 6 team on tender hooks with their cliff hangers!

In PE some of the children joined Mrs Archer to learn new skills in Hockey, the children commented on how much they enjoyed hockey. They learnt how to move with the ball and how to correctly hold the hockey stick. They then enjoyed playing small matches to finish off their lesson.

In History, the children started a double page spread on Shang Dynasty, they completed them this week and they look brilliant. The children have shown their understanding of the lessons and a key historical event in their work.

In DT, the children have prepared for food technology this term by thinking about ingredients and methods they would use to make Sushi. The children were very happy to find out they did not have to make Sushi with fish – The year 6 teachers were happy about this as well!

We look forward to another busy but great week next week.
