

Year 6 Blog – Week Commencing 17.07.2023: The One with Our Final Days At Kents Hill Juniors!

What a busy week it has been. It has been lovely to spend so much time doing fun activities with our year 6's this week in celebration of their final few days of Primary School.

Mrs Thurley, Mrs Archer and Miss Christie were so incredibly proud watching the Year 6 Leaver's Assembly and how they all treated each other with care and consideration in their final week of fun leaver's activities. We would like to wish every pupil the very best as they embark on the next chapter of their lives. Embrace every opportunity to learn, develop life-skills and meet new people. Always believe in yourselves, challenge yourselves and accept yourselves and you will succeed. You'll deserve to reach your dreams and goals – now's the time to go get them!

Thank you for our thoughtful cards and gifts.

We will be uploading all our photos from our leaver's week to the pupil's google classrooms. Please see below for a small selection of photos from the week and look on google classroom for photos from the following activities:

- Kents Hill Has Got Talent Finals
- Rocking Climbing
- Caving
