

Year 6 Blog – Week Commencing 03.07.2023: Beach, Sports Day and Dress Rehearsals!

Year 6 have had a busy but brilliant week!

On Monday, the children enjoyed a fun few hours at the beach. Despite the strong winds, the children were able to complete a few geography activities like tide tracking and map making, they paddled in the sea and enjoyed some fun games like volleyball, flying a kite, spade cricket and football. Of course, boys will be boys and thoroughly enjoyed the opportunity of digging holes for the sake of digging holes! The children then enjoyed extra play when we got back to sunny Benfleet, including cricket and basketball, followed by a quick rehearsal.

Some of our year 6 pupils have been a tremendous help this week with supporting the other year groups Sports Days. On Thursday, the children then enjoyed their Sports Day. They really enjoyed the different way it was run this week and it was lovely to have so many families join us for their picnic after! Thank you to everyone that came along and supported.

On Friday, the year 6 pupils brought a tear to Mrs Thurley, Miss Christie and Mrs Archer's eyes as they performed the Lion King for the first time. In the morning, they performed in front on the Year 2 pupils from the infants and 4JC who thoroughly enjoyed their brilliant performance. In the afternoon, they completed a second performance in front of the rest of the junior school pupils and all staff members. We are so proud of everyone of them. They have worked so hard over the past three weeks to ensure they put on a sensational show. We are very excited for their families and friends to see it during the three performances next week! We haven't added any photos of this below as we didn't want to ruin the surprise for you all!
