

Year 6 Blog - Week commencing 02.05.2023: Coronation Celebration!

Year 6 have worked hard all week working towards their upcoming SATs next week. We are incredibly proud of the efforts they have made and regardless of what happens next week, we want them to know how amazing each one of them is.

On Friday, we celebrated the King's Coronation. All the year 6 pupils spent a relaxing hour making crowns which they then wore outside during our Coronation Parade with the infant's school. We then all enjoyed a picnic together outside on the school field.
