

## Year 3 Blog - Week commencing 15<sup>th</sup> April 2024

### Mexico and Mayans!

This week, the children have been welcomed back to school after the Easter holidays by beginning their new topic 'Mexico and Mayans'. They enjoyed their hook day by learning about Mexico and the festival 'Day of the Dead'. The children made their own Day of the Dead skulls and tried some Mexican food, rating each food they tried.

In science, the children have begun their new topic 'light'. They first explored what light is and what happens when there is an absence of light.

In English, the children have started reading their new class text 'The Boy who Biked the World'. They have been considering what it would be like to travel around the world on a bike and creating some descriptive language about what it would be like to travel through the Andes mountains. Below are some examples of their descriptive paragraphs.
