

Year 3 Blog - Week commencing 22nd January 2024

Divorced, Beheaded and Died!

This week in Year 3, the children have been learning about King Henry VIII and his wives. They have been researching all 6 of his wives and created a fact file for one of them. We have also been learning the song 'Divorced, Beheaded and Died' to help us remember the order!

In computing, the children have begun exploring 'Scratch'. They have been looking at decomposing a game to assess what was not working correctly. Before using this knowledge to begin creating their own! We look forward to seeing what the children create throughout this half term.

In science this week, we have moved onto our new unit 'Animals including Humans'. So far, the children have been learning about healthy diets, including the recommendation of having 5 portions of fruit and vegetables per day. Whilst we also examined the amount of sugar in particular foods and drinks.

Check back next week to see what we get up to!

The Year 3 Team
