

### **Year 3 Blog – Week Commencing 17.07.2023: The Last Week**

This week in Year 3 we have been enjoying our last week in Year 3 before the summer holidays. We have been creating our stop motion animations based on the Mexican Jungle. The children focused on taking lots of pictures whilst moving the characters bits a little bit at a time. They loved doing this time and created some amazing animations!

Year 3 have also enjoyed finishing off their science topic of 'Light' and have created some wonderful double page spreads.

The whole of the Year 3 team wish everyone a wonderful summer break and good luck in their new classes next year!
