

### Year 3 Blog – Week Commencing 03.07.2023: Sun, Sand and Sports!

This week Year 3 have been enjoying the sunshine by taking part in our sports day and visiting the beach.

The children had a great time taking the train down to a Chalkwell beach and having fun on the beach for the day. They spent time building sandcastles as part of their personal passports, searching for crabs and making habitats for them and digging holes. Thank you to all our parent helpers for supporting the trip and helping us make it happen.

On Tuesday, the children took part in a Mayan drama workshop. They were introduced to a Mayan person who got everyone involved in some drama which helped the children to learn even more about the Mayans. They had a great time!

We wish everyone a lovely weekend and hopefully you'll get to enjoy some more sunshine.
