

Year 3 Blog – Week Commencing 05.06.2023: Three Little Birds

This week in Year 3 we have been creating our final piece in Art. The children created a self-portrait based upon the work by Frida Kahlo. The children enjoyed using the different coloured paints and demonstrating the brush techniques they have learnt!

We have continued watching the film 'Coco' in English this week. The children have enjoyed examining the different themes, emotions and feelings displayed throughout the film.

The children enjoyed listening to the song 'Three Little Birds' by Bob Marley in Music this week. We acknowledged the style of this piece of music (roots reggae) and looked at the different style indicators. We also discussed what we liked about the song and what we would change. Next lesson we will look at adding instruments to our performance!
