

Year 3 Blog - Week commencing 24.04.2023: Shakespeare Day

This week the children enjoyed beginning writing their diary entries based on the main character Tom in 'The boy who biked the world' by Alastair Humphreys. The children have been describing the Andes mountain range and explored his feelings throughout the part of the story they are focusing on.

On Thursday we had our Shakespeare Day where the children took part in a Shakespeare workshop which told the story of the play Hamlet and got the children involved with different aspects of the story. As well as this, the children created comic strips and playscripts of the story including the different features of a playscript.

In maths, the children have been focusing on fractions. They have been learning how to add and subtract fractions and have learnt how to find fractions of amounts.
