

Week Commencing 09.01.2023: The Terrible Tudors

This week year 3 have enjoyed getting back into school and starting 2023 off with some exciting activities linked to our new topic 'Empowerment'. During our hook day we had a chance to listen and appraise some empowering songs, design our own crowns based on what is important to us and take part in our very own version of Britain's got talent called 'Tudors got Talent'. The children tried really hard to think about what they thought would entertain a Tudor Monarch and in groups practised and performs their performances. Well done to our 3 winning groups! Lenny - 3LJ, Florence and Esmee 3LJ and Kaylin, Raya, Beau and Grace 3RE.

We also began learning about Tudor history including the different monarchs that ruled throughout the Tudor period creating our own timelines and the most well-remembered Tudor monarch Henry VIII. Most remembered for his selfish behaviour and his 6 wives. Getting ourselves ready for our exciting trip next week to the Tower of London.

In reading, we have started exploring our new book 'The Boy in the Back of the Classroom' about a refugee who starts in the class at school and have enjoyed considering the emotions of different characters in the story on Ahmet's first day.

We have also enjoyed starting 'Happy Tank' this week and he learnt the strategy of breathing to help us feel calm and relaxed. We are looking forward to learning a new strategy next week.
