

Week Commencing 12.12.2022: Festive Fun & Crafts in Year 3!

Year 3 have had a busy week this week completing lots of festive activities!

We created Christingles which we took into assembly whereby we learnt all about Christmas and the Christingle service. The children sang Christmas songs and listened to the story told by the local church. Also, we made gingerbread biscuits which we then decorated with marshmallows, icing, chocolate drops and dolly mix!

Also, we really enjoyed our Christmas Craft on Tuesday with our parents/carers, we hope you did too!

In Design and Technology this week, we began exploring the topic of textiles through sewing to create our own cushions. We planned and designed our cushions for an explorer using different designs, materials and sewing skills.

In Art and Design, we created our clay pots which we had been planning. The children were using different clay techniques, including rolling into a ball, rolling into a snake, pulling, pinching and carving to form their own Greek pot.

We hope you all have a lovely Christmas and look forward to seeing you all in 2023!
