27th February 2026

Dear Parent/Carer,

RE: Year 4 'Portals to the Past' Ancient Egyptian Workshop

As part of their history topic this year, our children will take part in a range of opportunities designed to support their personal development. These experiences help them to understand and engage with the world around them while bringing the curriculum to life. All activities are age-appropriate and will ensure that children look back fondly on their time at KHJS, having created some of their best core memories.

On **Wednesday 15th April**, the children will participate in an immersive Ancient Egyptian workshop delivered by an external provider in school. The workshop will combine educational activities, historical facts and knowledge with opportunities to experience life thousands of years ago.

Portals to the Past provides engaging and interactive workshops designed for school groups, focusing on life in the Ancient Egyptian age, offering a hands-on experience with Ancient Egyptian artifacts and re-enactments of historical events.

Clothing

To enhance the experience, we are inviting children to come to school in costume for the day. There is no need to purchase anything new—we have included some simple ideas overleaf.

As the event takes place on school premises, lunch will run as normal.

To cover the cost of this workshop, we kindly ask for a contribution of £7.00 to be paid to the school using the Schoolcomms online payment system. Although this is a voluntary contribution, the workshop will be unable to go ahead unless all or most of the costs are covered.

We understand that some families may find it challenging to cover this expense. Any small contribution will make a huge difference in ensuring every child can join this special experience.

If you are able, you can opt to pay £10 instead of £7, with the additional £3 being treated as a donation towards supporting other children who may require assistance to attend the workshop. Your kindness and support will help ensure that every child has the opportunity to take part in this enriching experience. If, through the generosity of our families, we receive more funds than the cost of the workshop, any remaining amount will be ring-fenced for future use to benefit your children.

Yours sincerely,
The Year 4 Team

Learning ~ Friendship ~ Safety ~ Success

At Kents Hill Junior School we are committed to safeguarding and promoting the welfare of children, and we expect all staff and volunteers to share this commitment. Designated Safeguarding Lead – Miss Joanne Parkes
