Dear Parents and Carers,

I am absolutely thrilled to share some fantastic news about Kents Hill Junior School's Year 6 SATs outcomes last year. For the third consecutive year, our school has improved its results placing us in the **top 12% of primary schools in Essex** and the **top 12% nationally**. Even more impressively, we are among the highest-achieving schools in Castle Point - an incredible accomplishment for our whole school community.

These results are a true reflection of the hard work, dedication, and commitment of our amazing pupils, who embrace their learning with determination and enthusiasm. They are also the result of our incredible staff, whose passion for teaching ensures that every child has the knowledge, skills and confidence to thrive. Of course, none of this would be possible without the support, encouragement, and partnership of our parents and carers - thank you for helping your children achieve their very best.

What makes this achievement particularly exciting is what it means for the future: our pupils are exceptionally well-prepared to move into Key Stage 3. They have the confidence, resilience, and strong academic foundations needed to tackle new challenges, explore new opportunities and continue to grow as learners and individuals. These results show that KHJS is not only a place where children excel academically but also a school that nurtures curiosity, independence and a lifelong love of learning.

A huge well done to all of our Year 6 pupils of 2024-2025 — they should be very proud of themselves!

Thank you once again to our incredible staff, supportive parents and, most of all, to our amazing pupils. Together, we are helping our children start the next stage of their education with confidence and ambition, ready to fulfil their potential.

Kind regards,

Miss J Parkes
